### **Chapter 3 Shareholders' Meeting**

Article 12: There are two types of regular meetings and temporary meetings of shareholders' meetings. The regular meetings are held once a year. They are convened by the board of directors within six months after the end of each fiscal year, and temporary meetings are convened according to law when necessary. The conduct of the shareholders' meeting shall be handled in accordance with the Rules of Procedure of the Shareholders' Meeting of the Company.

The convening of the general meeting shall be notified to all shareholders 30 days before the regular meeting and 15 days before the temporary meeting.

When the shareholders' meeting of the company is held, it may be held by video conference or other methods announced by the Ministry of Economic Affairs.

Article 13: When shareholders are unable to attend the shareholders meeting for any reason.

They shall draw up a power of attorney issued by the company, and entrust the agency according to Article 177 of the Corporations Act and the "Regulations on the Power of Attrition of the Public Issuance Companies to Attend Shareholders Meeting" promulgated by the competent authority. People attend.

Article 14: When the shareholders' meeting is held, the chairman of the board of directors shall be the chairperson. When the chairman of the board of directors is absent, the chairman of the board of directors shall appoint one person to act as the agent.

Article 15: The shareholders of the company shall have one voting right for each share held except for the case in which the shares as prescribed in Article 179 of the Company Law have no voting rights.

Article 16: Resolutions of the shareholders' meeting shall, except as otherwise provided by the company law. Be attended by shareholders representing more than half of the total number of shares outstanding, and shall be agreed upon by a majority of the voting rights of shareholders present. When the company convenes a shareholder meeting, Shareholders who elect to exercise their voting rights electronically and exercise voting rights electronically shall be deemed to be present in person, and relevant matters shall be handled in accordance with the provisions of the law.

Article 17: The resolutions of the shareholders' meeting shall be made into minutes, signed or sealed by the chairman, and the minutes shall be distributed to all shareholders within 20 days after the meeting. The distribution of the above-mentioned minutes shall be handled in accordance with the provisions of the company law. The record of the minutes of the minutes of the proceedings, the minutes of the minutes, the attendance book of the attending shareholders, and the power of attorney to attend shall be processed in accordance with Article 183 of the Company Law.

### **Chapter 4 Directors**

Article 18: The company has 6 to 9 directors, and the election of the directors shall be based on the provisions of Article 192 of the Company Law to adopt the nomination system for candidates. The implementation of related matters is subject to the Company Law and the Securities Exchange Act. The statutory regulations apply. The number of members shall be determined by the board of directors and the shareholder's meeting shall select the names of the candidates for directorship of the company for a term of three years. They shall be eligible for re-election. If a representative of a legal person's shareholder is elected as a director, the legal person may relocate it at any time, but it shall be limited to making up for the original term of office.

The company may, if permitted by relevant laws and regulations, insure liability insurance for the liability for compensation in accordance with the law for the scope of the business performed by the directors during the term of office. After the company has insured or renewed the liability insurance for the directors, the amount and underwriting of the liability insurance Important contents such as scope and insurance rate, etc., submitted to the latest report of the board of directors.

In the aforementioned number of directors, there are three to five independent directors, and the nomination system for independent directors is adopted. The shareholders' committee selects candidates from the list of independent director candidates. The professional qualifications of the independent directors, shareholding, part-time restrictions, nomination and selection methods, and other matters that should be followed, in accordance with the relevant regulations of the securities regulatory authority

The company sets up an audit committee in accordance with the provisions of Article 14-4 of the Securities Exchange Act. It is composed of all independent directors. The exercise of its powers and related matters is handled in accordance with relevant laws and regulations, and is set by the board of directors.

Article 18-1: When the directors of the company perform the duties of the company, regardless of the company's operating profit or loss, the company may be remunerated, and its remuneration is authorized by the board of directors to negotiate with the normal level of the industry. If the company has a surplus, it shall distribute the remuneration according to Article 29 of the Articles of Association.

Article 19: When the director's shortfall is up to one-third, the board of directors shall convene the shareholders' meeting for a by-election within 60 days to cover the original term of office.

Article 20: When the term of office of a director expires but does not result in a re-election, except as otherwise provided in the company law, he/she shall extend his/her duties until the re-election of the directors to take office.

Article 21: Board of Directors The Board of Directors shall have more than two-thirds of the directors present and the consent of more than half of the directors present, elect one chairman of the board of directors and perform all matters relating to the company in accordance with resolutions, articles of association, resolutions of shareholders and the board of directors.

Article 22: The company's operating principles and other important matters are decided by the board of directors. In addition to the first meeting of the board of directors in accordance with the provisions of Article 203 of the company law, the board of directors is called by the chairman of the board of directors. When the director is unable to perform his duties, he is appointed by the chairman of the board of directors. If no director is designated, one of the directors will push one person to act on his behalf. In addition, the directors may authorize other directors to represent the board in writing and may exercise their voting rights on all matters raised at the meeting. However, the agent is authorized by one person.

Article 22-1: The convening of the board of directors shall state the cause and inform the directors of the meeting 7 days before the meeting. However, when there is an emergency, it must be called at any time.

Board of Directors' convening notices can be written, e-mailed or faxed.

Article 23: The proceedings of the board of directors shall be made into minutes, signed or sealed by the chairman, and distributed to all directors within 20 days after the meeting. The distribution of the above-mentioned minutes shall be handled in accordance with the provisions of the company law. The method of record of the board of directors, the minutes of proceedings, the attendance book of the directors, and the power of attorney's attendance shall be kept for the period of time according to Article 207 of the Company Law.

Article 24: This section is deleted

## **Chapter 5 Managers and Staff**

Article 25: The company has a number of managers, the appointment or dismissal by the board of directors with more than half of the attendance and the majority of the directors agreed to the resolution. Its remuneration is handled in accordance with

the provisions of Article 29 of the company law.

Article 25-1: The company may, subject to relevant laws and regulations, obtain resolutions from the board of directors and purchase liability insurance for managers, so as to reduce the risk of managers being accused by shareholders or other related parties in performing their duties according to law.

Article 26: The company may be appointed by the board of directors in accordance with the provisions of Article 25 of the constitution to hire important staff.

Article 27: Delete.

## **Chapter 6 Final accounts**

Article 28: At the end of the fiscal year, the company shall compile the following lists and submit it to the regular shareholders for approval: 1. Business report. 2. The financial statements. 3. The distribution of surplus or loss provision. 4. Other legal orders should be made of the list.

The former statement of accounts is legally announced.

Article 28-1: If the company is profitable for the year, it shall pay no less than 1 percent for the employee's compensation and no more than 1.5 percent for the director's compensation. However, when the company still has accumulated losses (including the adjustment of undistributed earnings), it should reserve the amount of compensation in advance.

The employee compensation in the preceding paragraph can be obtained from stocks or cash, and the object of the employee's payment can include the employees of the subordinate company that meet the conditions set by the board of directors. The preceding directors' remuneration can only be paid in cash. The first two items should be decided by the board of directors and report to the shareholders meeting.

Article 29: If the company has a surplus after the final accounting, it shall first allocate 10% of the statutory surplus reserve in addition to the legal income from the profit-making business and the loss in previous years, but the statutory surplus reserve has reached the total amount of capital. This is not the limit. In accordance with the law or the competent authority to provide or revoke special surplus reserves, the remaining surplus, together with the accumulated undistributed surplus in the previous period, is the dividend of the shareholders. The board of directors shall allocate a resolution to the shareholders' meeting for resolution after distribution. The ratio of the surplus provided by the Surplus to the cash dividends of the shareholders may be adjusted according to the resolutions of the shareholders meeting, depending on the actual profit and funding conditions of the year. The total shareholder dividends for the annual surplus distribution shall not be less than 10% of the newly added distributable surplus for the year, but may not be distributed if it is less than 1% of the paid-in capital. The aforementioned cash dividends shall not be less than 10% of the total dividends payable to shareholders.

Article 30: The organization procedures and business chapters of the company shall be determined by the board of directors.

Article 31: The company may endorse the external endorsement and may lend funds to others for the needs of the business. Its operating methods are determined by the board of directors according to law.

Article 31-1: When the Company is a limited liability shareholder of its company, its total investment may not be restricted by Article XIII of the company law, which is that the total investment may not exceed 40 percent of the paid-in capital.

Article 32: The matters not determined in the Articles of Association shall be handled in accordance with the provisions of the company law and other laws and regulations.
